

Welcome to restaurant

Schlosswirt Forst

Because regionality is close to our hearts!

With a lot of passion, we have put together our new
"Autumn menu 2026" explicitly for you, dear Schlosswirt Forst guests and friends.

We place great importance on quality, rare items and responsible animal husbandry.
Therefore, we use regional and seasonal products fresh from the daily market.

Only a few kilometres from Schlosswirt Forst, horticulturalist Elisabeth Kössler farms the "Köstbamergut" according to the **principles of permaculture**. Vegetables and herbs are delivered fresh in organic quality every morning.

We also get herbs and fruit from our own **Forst garden** every day.

The species-appropriate husbandry of **LaugenRinder** cattle on herb-rich meadows and alpine pastures, animal-friendly stables and natural growth are the best prerequisites to produce tender, valuable meat that is reflected on the plate.

The **Schiefer fish farm in the Passeier Valley** handles resources very carefully and provides us with genuine and honest fish quality that we can process for you.

We recommend our **Chef's menu**.
The best quality products from the daily market (vegetable farmer, fisherman, hunter, alpine dairy, mountain farmer) which we change daily, freshly processed and a menu.

For the **chef's menu** we charge
3 course menu - 67,00 per person | 4 course menu - 76,00 per person

We thank you for your trust and wish you an enjoyable culinary stay with us at Schlosswirt Forst.
